

KaDee Bramlett

WEB DEVELOPER | KADEEBRAMLETT.COM

Spokane, WA | (405) 443-9279 | kadee.bramlett@hotmail.com

Overview

Studying web development and coding on a self-guided basis since December 2020. Gaining knowledge and skill in HTML, CSS, Bootstrap, Tailwind, JavaScript, JQuery, Astro, and Python. Learning more along the way with the trial-and-error of building projects on my own. After many years as a music instructor and classical musician, I would like to focus on deepening my knowledge in web development and make it my new career.

Tech Training & Study

Weekly Study Sessions with Mentor | Online | In Progress since March 2024

- Exploring Full-Stack Web Dev Technologies
- Practicing pair programming
- Building rapport with another developer

Ada Build Curriculum | Ada Developers Academy | Completed May 2022

Professional Experience

Junior Developer & Content Creator | ADVO – Advocacy Resources 501(c)(3) | March 2024-present

- Working with Lead Developer to investigate appropriate technologies for web application that will serve curated search results to users who are looking for vetted resources related to mental health, physical health, and social issues
- Write copy for social media posts
- Design graphics for social media posts using Canva (examples available upon request)
- Collaborate with team on marketing strategies

Faculty Member | University of Central Oklahoma | 2010-2022

- Filled multiple educational positions over the years: from part-time/adjunct up to full-time professor with tenure
- Developed and taught multiple courses in Music Theory, Ear Training, Oboe, and Music Appreciation with clear objectives and measurable outcomes
- Created a supportive learning environment; encouraged questions and curiosity in the classroom
- Engaged daily in public speaking, presentations, and casual conversation with university students, colleagues, and administration
- Conducted research, performed music, and participated in continuing education
- Successfully collaborated on a regular basis with colleagues on projects, committees, task forces, and faculty senate

- Duties not directly related in teaching and research: Engaged in strategic planning to meet goals for department, created and maintained student handbook for department, collaborated on tasks throughout proceedings in maintaining national accreditation, and Chaired a Faculty Senate committee for three years

Independent Journalist | Oklahoma Gazette | 2021-2023

- Developed article ideas and topics and pitched them to the Editor-in-Chief
- Composed interview questions
- Conducted interviews in verbal and written form
- Authored and published 15 articles, covering a wide range of topics: culture, food, community, music, arts, psychology/behavior, disaster preparedness, politics, diversity, local events, etc.
- Access my articles at www.okgazette.com/author/km-bramlett

Freelance Copywriter | 2022

- Wrote web copy for various commercial websites for a marketing firm and a commercial music catalog
- Wrote blog articles for clients on range of topics: marketing materials, local lifestyle, shopping local, etc.
- Incorporated appropriate “tone of voice” in writing depending on clients’ needs
- Maintained records and invoices
- Conducted communication with clients and made requested edits to copy

Skills & Personal Traits

- Comfortable working in various modes/environments: autonomous (alone and self-guided), collaborative (in groups with shared tasks and objectives), intellectual work, and physical labor
- Patience for problem solving in multiple arenas: interpersonal, logistical, and technical challenges
- Strong written and verbal communication skills
- Leadership and collaboration – equal comfort and confidence in different roles
- Openness and sensitivity in a socially and culturally diverse environments
- Growth mindset – amenable to constructive criticism; willing to apply suggestions to evolve/improve; curious and willing to learn new things
